Did You Know?

David Greenberg, president of the local Planned Parenthood in Portland, proudly stated in his 2006 annual report that the 45,000 square foot facility for NE Portland would include, “***a state-of-the art Surgicenter designed to increase access to abortion?***”

Planned Parenthood of America reported in their 2008 Annual Report that they killed **305,310** babies in 2007; 5871 a week?

Wall Street Journal reported in June of 2008 that the president of Planned Parenthood of America is encouraging more centers to do abortions?

Planned Parenthood reported for 2007 an income of over **\$1 billion**, a profit of nearly \$115 million and \$336 million came from taxpayer dollars?

Abortion is the leading cause of death in Oregon?

Planned Parenthood reported in February of 2008 that they along with the other abortionist in the country kill almost **500% more Black Babies** than White Babies?
